Compassionate One,

I feel so alone!

Be with me as I grapple
with the pain from this illness
and the fear of not knowing
what will happen.

Help me to not complain,
even if I am in pain.

Allow me return to health!

Grant me courage and clarity
if I must make difficult decisions.

I thank you for the gift of my life,
which is in Your hands and my soul,
which is in Your keeping.
